New students will meet with their instructor the week before lessons start to receive a tour of the facility, get acquainted with the Instructor, discuss Free Rein procedures and student needs, and establish goals.

Returning students will meet with their instructors the week before lessons to get reacquainted with the instructor and facility, go over prior session progress, and establish goals for the coming session.

ATTENDANCE

We expect regular attendance during the 8 weeks, as we employ instructors and arrange volunteers for your scheduled lesson time. Failure to appear without notice for two consecutive lessons, will result in termination for the session.

Cancellations must be made 24 hours in advance, or 50% of the lesson fee will be due. You must cancel by calling/ leaving a message on the office phone (828)883-3375, although an additional email to the Program Director (programdirector@freereincenter.com) is encouraged.

ATTIRE

Wear protective, yet comfortable clothing- no flapping shirts or open toed shoes or sandals. For mounted students it is recommended to wear long pants and boots that have 1 to 1 ½ inch heel, to ensure safety and comfort while riding. No dangling jewelry allowed, as this may get caught on tack. Remember sunscreen as you can be out in the sun- also bug spray, and water or a cold drink, as we have no running water at the stable.

PAYMENT

Payment is due upon arrival to lesson. A late fee of \$5 will be charged for any payments not made within 7 days of lesson.

FINANCIAL AID

Free Rein's goal is to be able to make therapeutic riding services available to all participants whose application is accepted, and we are able to do this because of the generosity of our supporters, volunteers, and an intentional fundraising program.

Financial aid awards will be based upon both the applicants' need and the amount of funds available for the year. Consistent communication and attendance is required to continue to receive financial aid support throughout the year. All requested documents must be complete and submitted before financial aid will be considered. Students and/or the individual(s) responsible for payment are notified by email within 1 week of award status.

STEPS TO APPLY FOR FINANCIAL AID

WORK EXCHANGE OPTION

All students are required to either pay at least \$15 (if approved for the 70% scholarship) or to enter into a work-exchange agreement. The work exchange option entails a commitment of 45 minutes of barn and/or office assistance work per week, to be completed either during the student's lesson or during another time arranged with the Program Director. Examples of this work might be filing, sweeping, taking out garbage, cleaning tack or other tasks appropriate to the individual's physical and mental capabilities. The work exchange can be performed by any member of the student's household, care group, or family.
